Call for Extraordinary General Assembly on 10 December 2016 in connection to IFLRY's Executive Committee from 8-11 December 2016 in Amman, Jordan

Initially we were planning on merely organising IFLRY's last Executive Committee between 8 and 11 December 2016 in Amman, Jordan. However, the IFLRY Bureau would like to add a more elaborate agenda point on membership issues to the agenda. This will include applications, disaffiliations and suspensions in accordance with its wish to get all IFLRY members into good standing, while reaching out to a more global membership. However, as it is an exclusive right for the General Assembly to deal with membership expulsions (Article XVII of the IFLRY Rules of Procedure) and membership applications beyond observer and candidate membership (Article IX of the IFLRY Rules of Procedure), the IFLRY Bureau needs to call an extraordinary General Assembly to deal with this exact point during IFLRY's coming Executive Committee taking place from 8-11 December in Amman, Jordan.

In accordance with Article XII of the IFLRY's Statutes, the IFLRY Bureau would therefore call upon an Extraordinary General Assembly to take place on 10 December to deal with membership issues.
