Autumn 2013

## Work Experience

### Research Assistant

University of Oslo  
February 2016 – present  
Working as a research assistant as a part of the research project “Enacting the good economy: Biocapitalization and the little tools of valuation”. Work includes to transcribe interviews and to organize data material and research literature.

### Campaign Secretary

Young Liberals of Oslo,  
August 2015 – September 2015  
Working for the Young Liberals of Oslo (OUV) during the elections, were first of all a lot of fun. A big part of my work was to manage our presence in the so-called “school elections”, where OUV was able to get their best result ever. In addition, we helped out the Liberals of Norway in the election, and where a huge resource for them. This is challenging work, but we managed to balance busy days with a great atmosphere and spirit, which is something I will remember.

### Consultant

University of Bergen  
June 2014 – August 2014  
Summer job as consultant at the Division of Student Affairs at the University of Bergen.  
I worked primarily with the reception of new students, mailings and student recruitment.

### Project Assistant

Klimapartnere i Hordaland (Climate Partners in Hordaland), The Norwegian Climate Foundation  
August 2013 – October 2013  
Organised meetings with companies who were relevant for joining the network Climate Partners in Hordaland, which is a network of businesses trying to reduce their carbon footprint

## Relevant experience

### Climate Change Programme Manager

International Federation of Liberal Youth  
April 2014 – present  
Managing the Climate Change Programme in its day-to-day work  
Delegation Leader, COP20 and COP21  
Represented IFLRY at several events, such as the CALD Conferences on Climate change in Mongolia, 2014 and Cambodia, 2015  
Organized the Conference at the 2015 General Assembly in Vienna: *Climate Change the Challenge of the 21<sup>st</sup> Century*

### Participant, Future Leaders
