The model won the Swedish Exhibition of Young Scientists 2014 out of roughly 150 projects. The award encompassed to represent Sweden at the worlds largest pre-graduate science fair, Intel ISEF.

POLITICAL EXPERIENCE

IFLRY

Board member at the Free Trade Program

London

2015-

Analysing global trade policies and promoting free trade globally.

Centre Party Youth (CUF)

International Representative

Sweden

2014

Have experience of working within international organisations, mainly IFLRY. This has developed insight into political work internationally as well as IFLRY.

Centre Party

Candidate for EU parliament

Sweden

2014

The youngest candidate on the ballot for European Parliament.

Running for parliament was an exciting experience which greatly developed my organisational skills, campaigning skills and exposed me to the ferocity of electoral battles.

Centre Party Youth (CUF)

Regional President

Skåne, Sweden

2014

Analysed available research on voter behaviour and the party's voter base's demography in order to choose strategic target areas, to which I directed the main body of electoral effort.

Lead the regional electoral effort through working with our two employees in their work and organising the regional campaigning.

WORK EXPERIENCE

Academediia, ProCivitas

Teachers Assistant

Helsingborg, Sweden

2013-2014

Educated pupils and developed their academic abilities, by leading weekly classes in mathematics for upper secondary school students.

Café Killeröd

Waiter

Killeröd, Sweden

2012-2013

Worked in a pressurised, high pace environment as part of a team of waiters at this exclusive café. Focus on client service and team work was essential. Trained 3 new employees while holding down the day job.
