

To the General Assembly of the International Federation of Liberal Youth, as gathered in Istanbul, Turkey, 14-17 April 2016,

The Hague, 24 Februari 2016

Dear liberal friends,

We are honoured to nominate Pauline Kastermans for President of the IFLRY Bureau on behalf of the Dutch youth organization *Jonge Democraten* (JD).

Pauline Kastermans has been active with the JD for several years as International Officer (between 2012 and 2014), as well as within IFLRY as a trainer, and Human Rights Programme Managers. Over time, myself and many others have experienced Pauline as a dedicated person, always working for the liberal values that IFLRY holds dear; democracy, human rights and individual liberties. She has shown this dedication through her work with the JD, and through all the events, congresses and seminars she has attended and actively participated in.

Now, she has expressed her desire to continue this work on a new level, as President of IFLRY. The Jonge Democraten is more than pleased with her will to continue working for the liberal cause!

Attached to this email you will find her letter of motivation and resumé. In case you have any further questions, please do not hesitate to contact me, or Pauline.

Looking forward to meeting you at the General Assembly in Istanbul,

With kind regards,

Elene Walgenbach
President
