Dear all,

Liberal greetings from Beirut.

We are proud to nominate Ahmad Al Rachwani for the Vice President of IFLRY on behalf of Future Youth Lebanon.

Ahmad is an active member in Future for a long period, and he held a lot of positions until now he's member of the central council of the organization. Ahmad is handling the foreign affairs file, and he was elected as IFLRY's VP in 2014.

He is very dedicated to his work in FY and showed that through the years, and always enthusiastic to spread the liberal values.

Ahmad showed his interest to re-run for IFLRY VP in order to continue serving for the international liberal cause. It is a pleasure for Future Youth to be an active part of our Liberal family "IFLRY".

**Best Regards,**

**Wissam Chibli**
