To Whom It May Concern,

On behalf of Free Thought Forum "FTF" it is my pleasure and honor to apply for membership with IFLRY.

FTF is a non-profit Jordanian organization which was founded in 2007, a liberal institution works to encourage Jordanians to participate in public and political life, and to promote the liberal principles, our concentration of activities are with youth members, which they are a good percentage of the members.

FTF is aiming to continue and enrich the experience with IFLRY through applying to a full membership, we believe it is very important for our members to be engaged with liberals from all over the world. Our membership will give us a chance to explore new experience, opportunities, and ideas.

Taking in to consideration that we have read your manifesto and we accept it.

Looking forward for your kind feedback.

Sincerely,

Board member
