

**NAŠA
STRANKA**

List of activities

“Youth Forum Naša stranka” was founded on 22nd of December, year 2009. Since its founding, many different activities have been organized, but we would emphasize the following as the most important ones:

- Organizing **public panel** on the International Day of Persons with Disabilities
- **Petition for organizing the public transport for late night hours** – since in Bosnia and Herzegovina, the public transport is functioning until 22:30 pm.
- Project „**Donate Knowledge**“ – where we have collected and donated 245 books to primary school in Ilidža, Sarajevo
- **Debate „Prospects of young people in Bosnia and Herzegovina“** held in Parliamentary Assembly of B&H
- Photo collage for **International Human Rights Day**
- Event named: “**On a coffee with young councilors of Naša stranka**”, where we wanted to emphasize the fact that people can and should talk about their problems within the place they live in, and to get involved
- **Street action about (in)security situation in Sarajevo** (after the murder of young boy in tram)
- Street action, followed later on with the public discussion on “**Opportunities for young people in the labor market**”
- **Liberal political academy for young liberals of Bosnia and Herzegovina**
- Petition for legalization of marijuana for medical purposes
- **Petition for local governments to include financing of the projects for young entrepreneurs in budgets**
- **Demonstration and petition** in the matter of **excluding** B&H students from *Erasmus+* program

- Project **“You’ll Always Remember the First Time”**, which included street actions in several cities of Bosnia and Herzegovina; book of instructions for those who vote for the first time, and interactive videos for young voters, in order to inform and educate them about the importance of voting and principles of democracy
- Public discussion about LGBT population in Bosnia and Herzegovina named: **“Think outside the box!”**
- Creating a book of policies promoting liberal ideas and liberal solutions for the problems of young people in local communities
- Cooperation with Naša stranka “law factory” in creating amendments to the upcoming laws about primary, secondary and higher education.
