

Dear Friends!

We are happy to announce one of the most long-awaited events of this year: IFLRY Training of Trainers 2019!

As a federation of young liberals we believe that Non-Formal Education (NFE) plays a pivotal role in developing the individual and building the capacity of young people striving for freedom, democracy and human rights. IFLRY has had its own Pool of Trainers for several years now - a programme that is still developing and looking for constant ways to increase its efficiency and attract bright individuals that are willing and eager to be engaged in advancing Non-Formal Education within IFLRY.

This 5-day training which will take place between 14 and 18 August 2019 in Izmir, Turkey is aimed at young facilitator - members of the IFLRY Pool of Trainers, Council and representatives of Member Organizations with a strong interest and different levels of experience in NFE who intend to pursue being a trainer either with IFLRY or within their respective organizations.
